

WINE LIST

WHITEBARREL

BLACKSBURG

Virginia's rolling hills, scenic shores and towering mountains are a haven for more than just outdoor enthusiasts and rustic farms: The state's wine industry has boomed during the past few decades, with lush vineyards and nascent wineries sprouting up in nearly every region of the commonwealth. Virginia now ranks 5th in the nation and is a provincial, regional industry. Stepping into the Virginia wine spotlight is Whitebarrel. We offer in this menu our Whitebarrel-branded wines, as well as wines from up to 30 other wineries and cideries across Virginia (with a frequently rotating menu).
