

## TAPAS AND SMALL PLATES MENU

We believe the best of Virginia Wine is complimented by the food we create. Each of our locations serves a Tapas-style menu with small plates that complement our wines and wines from around Virginia. As part of your wine experience, we provide a selection of Tapas items and non-traditional plates. We specialize in featuring as many “Virginia” meats, cheeses, produce, and products as possible. We incorporate fresh and local ingredients that support local farms and businesses. We offer gluten-free and vegetarian options to suit and delight any guest. Come settle into our wine bar with a casual and classy Appalachian feel. Our new Tapas menu is seasonal and will focus on a menu in a true farm-to-table approach. We focus on using fresh and seasonal ingredients which often come from our farm or local farms around the region\*. All our items are made from scratch, and, may take time to prepare, especially during our busy times. So, sit back, sip, relax, and enjoy Whitebarrel.
